WELCOME TO CAMP ANDREE!

THE GIRL SCOUT SILVER JUBILEE CAMP

This year the Girl Scouts of the United States of America celebrate their Silver Jubilee—twenty-five years devoted to a new adventure of youth. With a representative group of seventy-two Girl Scouts who were chosen from every state in the Union and Puerto Rico, as their hostesses, foreign girls from twenty-six member nations of the World Association of Girl Guides and Girl Scouts, will have an opportunity to share in the program planning of the Silver Jubilee Camp to be held at Camp Andree August 2 to 23. This long treasured dream of the Founder of Girl Scouting in the United States—Juliette Low—has been made possible by the Juliette Low Memorial Fund, and the gathering at Camp Andree is a symbol of the friendship that Mrs. Low coveted for the girls of the world.

Camp Andree, which is open to all Girl Scouts of the United States who are fourteen years old or over, was a gift of the late Senator William A. Clark, of Montana. The site, including 142 acres, was presented to the Girl Scouts in 1921 in memory of Andree Clark, sixteen year old daughter of Senator and Mrs. Clark. Her parents did not realize how much Girl Scouting had meant to Andree until after her death, when the pages of her diary gave such glowing accounts of the fun she had shared with the members of her troop.

When the *Queen Mary* docks on August 9, bringing the majority of our foreign guests to this country, a special motor corps of the Westchester County Girl Scout Council will be on hand to conduct them personally to Camp Andree where their American hostesses, encamped since August 2, will be waiting to give them the welcome that Girl Scouts the world over extend to one another.

JULIETTE GORDON LOW

1860-1927

Founder of Girl Scouting in the
United States of America.

TO JULIETTE LOW

More than a score of years ago a torch was lit,
A beacon whose glow shone for the joy of youth,
And you, sensing its brilliancy, beneath your roof
Kindled a kindred flame, that girlhood in your land
Should live within its light, and with your hand
You tended it and kept its whiteness pure;
Prayed that its bright promise might endure,
And walked yourself uprightly in its gleam.
And we who have had faith in this your dream,
Are come to give account of our brief stewardship.
Thousands of girls share your ideals today,
Thousands of women walk with them your lighted way
With lives enriched and broadened from its treasury
And glad hearts consecrated to your memory.

President, Girl Scouts, Inc.

GREETING TO OUR GUESTS

Girl Scouts and Girl Guides of many lands, welcome to our Silver Jubilee Camp!

Welcome, too, to you, American Girl Scout hostesses!

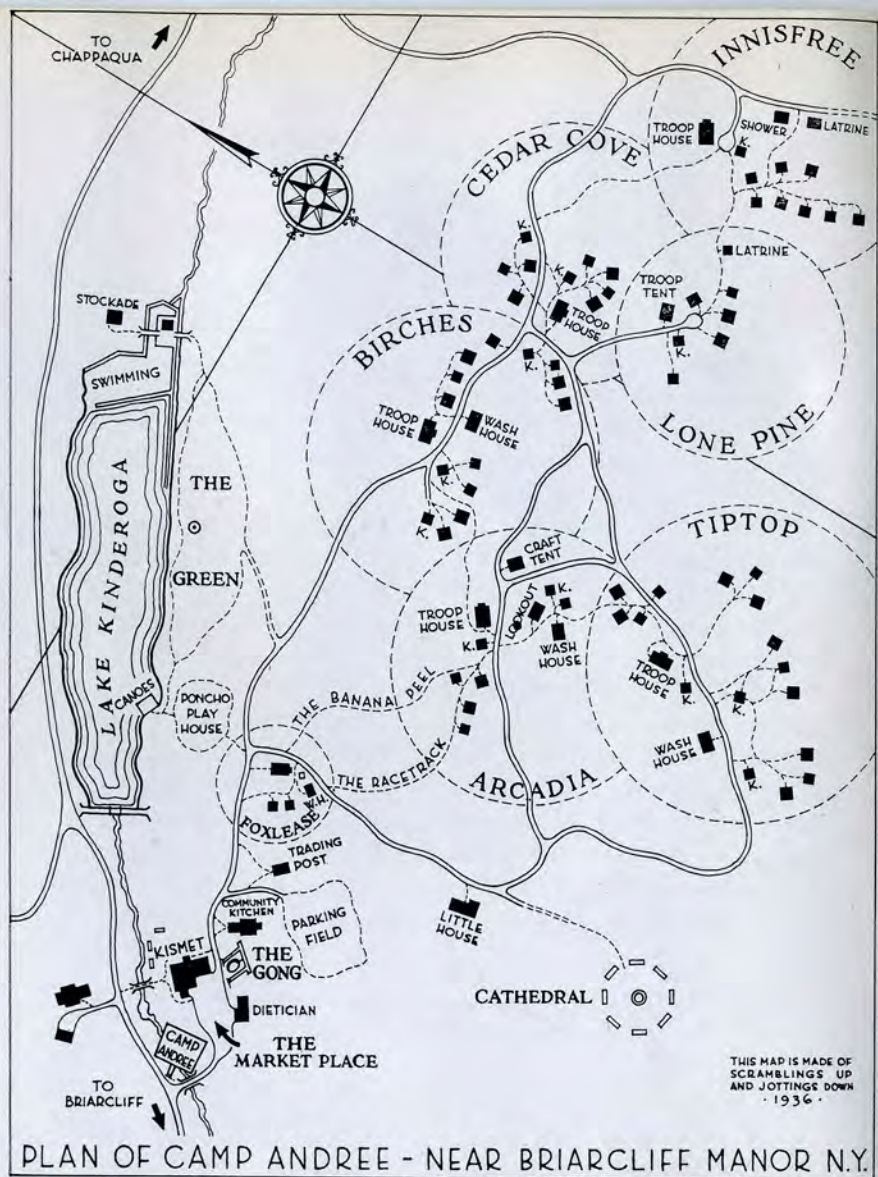

In memory of our Founder, gay and intrepid Juliette Low, all the Girl Scouts of the United States of America greet you!

Mrs. Low was an enthusiastic camper. Also she had abiding faith in the intimate joy and the widespread understanding to come, if close friendship and friendliness existed between girls of different nations.

One of her most cherished dreams, one of the few that she never saw materialize, was a camp in the United States of Girl Guides and Girl Scouts from all around the world.

We rejoice that we may celebrate the twenty-fifth anniversary of her first American troop of Girl Scouts by harboring such an International Camping Troop in her memory.

We thousands who have planned to make this camp possible, hope that you will have much sheer joy in the life and companionship of these weeks. We hope that you from afar will be as interested in seeing how American Girl Scouts camp as we are in seeing how you do it when we visit your lands, and that you will form many lasting friendships which will be not only of much gratification to you but will form strong ties, helping to bind our nations one to another.

CAMP PROGRAM

In accordance with common practice in Girl Scout camps in the United States, the members of the Silver Jubilee Camp will themselves plan and carry out the details of their daily program while in camp. It is not possible, therefore, to give in this booklet the details of the activities in which the girls may choose to participate.

Dramatic activities will include informal plays, dramatized ballads, and pantomime in the Poncho Play House, including dancing, music, arts and crafts, and creative writing. "Hands Around the World," by Oleda Schrottky, will be presented at the opening campfire and the closing ceremony will take the form of a gay birthday party.

It goes without saying that this should be a "singing camp," offering as it does an opportunity to exchange national treasures in song and dance, which undoubtedly will be one of the most important and remembered activities of the entire experience.

Swimming, canoeing, water play-day, canoe breakfasts on the lake, and canoe trips are all possible adventures for those who wish to follow waterfront activities.

For those who are gypsy and pioneer-minded there will be ample opportunity to go adventuring. The camp site is rich in opportunity to observe the natural environment of this part of the United States. For the campers who are creatively interested in the arts, guidance will be provided in weaving, pottery, metal work, sketching, wood carving, and block printing.

During the two-week encampment there will be general as well as

unit campfires; Scouts' Own will be held each Sunday evening in the Green Cathedral.

The camp staff of thirty counselors looks forward eagerly to the opportunity of camping with girls from many nations and building understanding through international friendship. The campers will live in six units (see the map of Andree hill) : "Birches," a waterfront unit of 24 girls; "Cedar Cove," canoeing, with 16 girls; "Lone Pine" and "Innisfree," the two pioneer units, each with 10 girls; "Tip Top," with 24 girls; and "Arcadia," crafts, music, and nature, with 16 girls.

Daily Schedule

Reveille	7:30 A. M.
Breakfast	8:00 A. M.
Lunch	12:30 P. M.
Rest Hour	2:00-3:00 P. M.
Dinner	6:00 P. M.
Campfire	7:45-8:45 P. M.
Good Night	9:30 P. M.

All campers will cook their own breakfast in their own unit kitchens. The pioneer units—Lone Pine and Innisfree—will cook their breakfast and lunch in their own unit kitchens but the other four units will eat lunch in the new Dining Hall which faces the lake. This hall is so new that it is not shown on the map, but a hungry camper will have no difficulty in finding it! The entire camp will come together for dinner in the evening in the Dining Hall.

PINE TREE CAMP

Long Pond, Plymouth, Massachusetts

At the close of the Silver Jubilee Camp on August 23, our foreign guests and their American hostesses will be taken by bus to Pine Tree Camp, Long Pond, Plymouth, Massachusetts, where they will all be the guests of Mrs. James J. Storrow of Boston, for one week. This beautiful camp, known as the First National Training School, was built by that fairy godmother of Girl Scouts and Girl Guides, Mrs. Storrow, for the use of the adult leadership of Girl Scouting in this

country. As the person who made "Our Chalet" come true in Switzerland, Mrs. Storrow is no stranger to the Girl Guides and Girl Scouts of the world. Situated on the southeastern shore of Long Pond, Pine Tree camp faces blue water that stretches a mile and a half toward the sunset.

En route to Pine Tree Camp the travelers will be entertained at luncheon at Camp Alice Merritt, East Hartland, Connecticut, by the Girl Scout Local Council of Hartford, Connecticut.

CEDAR HILL

Waltham, Massachusetts

Before taking the boat in Boston for their return trip to New York, our visitors will be entertained for a day at the Massachusetts Girl Scouts' happy possession—Cedar Hill, eighty-five acres of woodland, meadows, orchards, and gardens, which is so near the heart of the city of Boston that a subway carfare carries them to their own country center. The stately Mansion House with its sixteen fireplaces, the Great Hall, the Daniel Webster Farmhouse, the maze, the Rookery, all wait to greet our guests—as they greeted the international guests to the World Conference in 1926—under the hospitable guidance of the Massachusetts Mandate Council.

ROCKEFELLER CENTER

The National Headquarters of Girl Scouts, Inc., is in one of the buildings of this Center.

GEORGE WASHINGTON BRIDGE across the Hudson River.

Upon returning to New York City by boat from Boston, all the members of the Silver Jubilee Camp will be the guests of the Girl Scout Federation of Greater New York. August 31 will be spent in seeing some of the thrilling sights of a great metropolis—New York's amazing spires as seen from the Battery, the George Washington Bridge that spans the Hudson River, Rockefeller Center, where the National Headquarters of Girl Scouts, Inc., is located, and many

other points of interest. And when the last deep-throated roar of the *Aquitania's* embarking whistle blows and our travelers again turn toward their homes, we hope that even in so short a stay they will have found that American Girl Scouts are good friends and true to the ideals of Scouting that bind our lives closely together.

ARRANGEMENTS for the Silver Jubilee Camp are under the direction of the International Committee, Chairman, Mrs. Frederick Edey; the National Camp Project Committee, Chairman, Mrs. Arthur W. Hartt; and the Anniversary Projects Committee, Chairman, Mrs. Arthur O. Choate. Camp Andree and its staff are under the direction of Mrs. Ruth Hedlund Fraser.
